

REMARKS/ARGUMENTS

Allowable Claims

Applicant acknowledges with appreciation the Examiner's allowance of Claim 14. To further expedite prosecution of the present case, and without intending to acquiesce or agree with the Examiner's other rejection of claims, Applicant presents amended claims such that they depend ultimately from allowed Claim 14. As such, Applicant believes that all presented claims are now in a condition for allowance and therefore requests the Examiner's favorable consideration thereof.

Applicant retains the right to file further continuation applications to pursue claim subject matter of the same scope as previously presented, and/or in either narrower or broader scope claim.

For all the foregoing reasons, Applicant respectfully submits that all claims are now in a condition for allowance and as such, the Examiner's favourable consideration of the same is requested.

The Examiner is invited to contact undersigned counsel to address any outstanding concerns and Applicant's counsel can be reached directly at (303) 863-2977.

Respectfully submitted,

SHERIDAN ROSS P.C.
